

Unit 8
Project:
Jungle
Book

Book Jacket Project

You will create your very own book jacket for the *Jungle Book*. You might say “What’s a Book Jacket?” A book jacket usually gives us our first clue of what a book will explore. From a book jacket, we can often tell what genre of a book, the information the book will discuss, an even what other readers think about the book.

You will create a book jacket using the presentation or document program in your Google Education account. You will submit your book jacket through Google Education.

You only need to create a front cover. The below website on ReadWriteThink.org can be used as a tool to help you create your book jacket.

Please include the following in your book jacket:

1. Only create a front cover for your book jacket.
 2. Please write at least 1-2 paragraphs describing the *Jungle Book*. Remember this is a book jacket and we want to entice readers to read the story.
 3. Illustrations. You maybe draw your own or use other resources for pictures. Explore the OLS lessons.
 4. Make sure you check your spelling and grammar.
 5. BE CREATIVE!
