Choice TWO: Unit One: Time line of Westward Expansion

Create a timeline on Westward Expansion

The timeline can be created on a Power point slide or in a word processing document (such as Microsoft word) This may be a little challenging. I believe it would be easier to from top to bottom rather than side to side.

If you choose you can also mail me a hard copy of your timeline in the mail.

Checklist for what your timeline must include:

1. 8 to 10 important events about westward expansion.
2. Facts and Dates must be accurate.
3. They must be placed in chronological order
4. Describe each event.
5. Include appropriate pictures.
6. Please see the grading rubric for this assignment :)
